9TH TO 12TH GRADE

QUICK START GUIDE

AREA 56 exists to provide preteen students a crazy fun place to learn what it means to know Jesus and tell others about Him. This is your guide to knowing where to start and what's next with AREA 56.

STEP 1 GATHER

AREA56

WEDNESDAY

7-8:45pm

Each week, students gather to hang out, make new friends, play totally ridiculous games, learn from caring adult leaders, build deeper friendships, and hear an engaging, life-changing message about Jesus, the Bible, and faith.

STEP 2 EQUIP

DEEP END

SUNDAY

11:30AM

For our preteen students in AREA 56, we seek to teach them some of the basics and beyond when it comes to truth found in God's Word. This class takes place in a large group setting that breaks up into discussion groups to help students further learn and apply the Scripture being taught

STEP 3 MOBILIZE

REACH
OUT

Statistics show that students in this age range are some of the most open to the Gospel. For our A56 students, this means that RIGHT NOW is a great time to reach out to friends who don't know Jesus yet. Students can invite friends to A56 events or A56 on Wednesday nights to help introduce them to Jesus

AREA 56 also offers amazing opportunities for students to grow in relationships and faith through the AREA 56 Retreat (April) and for our 6th graders- mission trips!
