

BLACK ROCK CHURCH

STUDENT MINISTRY

7TH AND 8TH GRADE

QUICK START GUIDE

CLUB JV exists to provide a super fun spot for students to learn what it means to know Jesus and tell others about Him. This is your guide to knowing where to start and what's next with CLUB JV.

STEP 1 GATHER

CLUB JV

WEDNESDAY

7-8:45PM

Each week, students gather to hang out, make new friends, play totally ridiculous games, learn from caring adult leaders, build deeper friendships, and hear an engaging, life-changing message about Jesus, the Bible, and faith.

STEP 2 EQUIP

DEEP END

SUNDAY | 11:30AM

What does it mean to be a disciple? How do I pray, study the Bible, and grow on my own? How do I live out my faith? Our NEW Deep End model helps students answer these questions. In order to be a part of CLUB JV's Deep End, you must sign up at brc.church/students

STEP 3 MOBILIZE

STUDENT

LEADERSHIP

For those middle school students who really want to take ownership of their faith, CLUB JV offers SLAM- a group of middle school students that learn how to lead and serve at CLUB JV. Find out more at brc.church/students.

CLUB JV also offers amazing opportunities for students to grow in relationships and faith through RETREATS, MISSIONS TRIPS, and MORE!
