FROM MUNDANE TO MISSION

MICHAEL DISTEFANO

There are 500,000+ women  
being trafficked in America

FROM MUNDANE TO MISSION

MICHAEL DISTEFANO

# There are 500,000+ women being trafficked in America

- As of 2018, human trafficking is the second most profitable organized crime in the world, at **\$150 billion annually**. There are more slaves in the world today than ever before in human history.

# There are 500,000+ women being trafficked in America

- As of 2018, human trafficking is the second most profitable organized crime in the world, at **\$150 billion annually**. There are more slaves in the world today than ever before in human history.
- The United States is no exception. There are **nearly half a million trafficking victims in the U.S.** and a vast majority of them are being trafficked for sex.

# There are 500,000+ women being trafficked in America

- As of 2018, human trafficking is the second most profitable organized crime in the world, at **\$150 billion annually**. There are more slaves in the world today than ever before in human history.
- The United States is no exception. There are **nearly half a million trafficking victims in the U.S.** and a vast majority of them are being trafficked for sex.
- Our mission is to provide a **refuge** for those seeking to break free from exploitation and **heal** in community on their journey towards lasting hope.
