

FUSION is all about giving students a relevant platform for learning what it means to know Jesus and tell others about Him. This is your guide to knowing where to start and what's next with FUSION

STEP 1 GATHER

FUSION
TUESDAY
7-9:15pm

Each week, students gather to hang out, make new friends, play totally ridiculous games, learn from caring adult leaders, build deeper friendships, and hear an engaging, life-changing message about Jesus, the Bible, and faith.

STEP 2 EQUIP

DEEP END
SUNDAY
11:30AM

Students will be strengthened in their faith as they go through our leadership course—learning how to read the Bible for all it's worth, as well as, growing in their knowledge of the Christian faith. It is an intensive class that has required reading, journaling and outreach activities that help students live out their faith daily. Sign up at brc.church/students

STEP 3 MOBILIZE

SERVING &
STUDENT
LEADERSHIP

After jumping into gathering and growing at FUSION, a student's next step is to serve and lead. Whether that's joining Black Rock's serving culture on Sunday mornings, Wednesday nights, or joining Student Leadership, there are many ways that students can begin to live out their faith at Black Rock.

FUSION also offers amazing opportunities for students to grow in relationships and faith through RETREATS, MISSIONS TRIPS, and MORE!

Find out all that is happening with FUSION by going to brc.church/students

Join the "FUSION Parents" group on REALM for the most up to date information!
