SALT + LIGHT

Who does Jesus mean by Salt & Light?

- We enhance or add value to what God is already doing.
- We show people the love that God already has for them.

Our job is not to BE God, but simply to SHOW God

13 “You are the SALT of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot.

14 “You are the LIGHT of the world. A town built on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. Matthew 5:13-16

How do we remain salty and bright, loving our neighbor as ourselves?

13 “You are the **SALT** of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot.

SALT + LIGHT

A glowing light bulb is shown on a wooden surface, casting a warm, golden light. The bulb is positioned in the lower-left quadrant of the image. The background is a dark, textured wall, possibly stone or concrete, which is illuminated by the light from the bulb, creating a gradient of light from the bulb to the right.
